SUMMER PROGRAM FOR KIDS AT THE HISTORY MUSEUM

South Bend, IN— It's hard to imagine life without computers, telephones, and rockets to take astronauts to the moon. But there once was a time when we didn't have these and many other things we now use every day!

At Insights for Kids, taking place at 11 a.m. on Tuesday, July 19, at The History Museum, Director of Education Travis Childs will talk about some local inventors whose creations have made a big difference in our lives. The program is geared for youth ages 6-12. Admission is \$2/general; free/children 5 & under; free/members.

A guided tour of the exhibit *Wheels of Power* will be offered.

For information, call The History Museum at (574) 235-9664 or visit www.historymuseumSB.org
